

Memories of Mine

A tribute to our area's mining history is going to be built near United's parking lot retaining wall. As many of you may already know the boulders that were used to form the wall are from the old Bristol Mine area. Therefore we are offering the opportunity for folks to make a donation to have a plaque attached to one of the boulders in memory of loved ones who once worked or in any way were affected by the mining industry. We are asking for donations of \$100 - \$400, depending on the size of the boulder. Send the completed form below along with a check made out to United Lutheran Church, P.O. Box 390, Crystal Falls, MI.

"Memories of Mine" - A tribute to Crystal Falls' mining history

In loving memory of _____

Name of mine worked at _____

From _____

Donation amount \$ _____

Boulder sizes: small \$100, medium \$200, large \$300, x-large \$400
